

## How to make the DimeKlip, a cheap GameKlip alternative

Step 1 - What you need: sat nav holder, superglue, black marker, plastic snap fasteners

Step 2 - Prop the controller up

## How to make the DimeKlip, a cheap GameKlip alternative

Step 3 - Take the fastener and coat it in glue, then stick it to the back of the controller

Step 4 - Leave the glue to set

## How to make the DimeKlip, a cheap GameKlip alternative

Step 5 - Snap in the other half of the fasteners and glue their backs

Step 6 - Attach the sat nav holder. You can use a rubber band to hold it in place

## How to make the DimeKlip, a cheap GameKlip alternative

Step 7 - Once set remove to check the glue has held

Step 8 - If you want you can use the marker pen to make the fasteners a bit less obvious
